

PUPPETRY and **TEAM BUILDING**

INSPIRING FUN AND CREATIVITY
THROUGH PUPPETRY

WHO WE ARE

Founded in 1999, **The Finger Players** is one of Singapore's leading theatre companies, best known for inventively fusing traditional and contemporary puppetry elements, and integrating other artistic disciplines into its visually-arresting productions.

WHY YOU SHOULD ADOPT PUPPETRY

Creativity and Fresh Perspectives

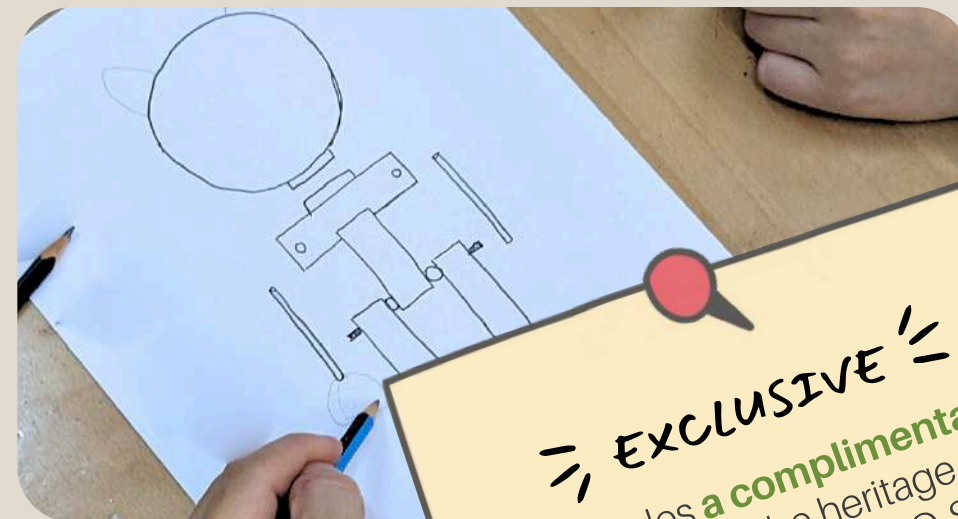

Puppetry is highly effective in **igniting one's inner child**, allowing for personal expression and artistic exploration.

Teamwork and Communication

Through collaboration and problem-solving, one can build **active listening and forge deeper bonds between one another**.

Emotional Openness and Satisfaction

When one breathes life into a puppet, the **inanimate object comes alive**. This deeply human experience can encourage emotional openness and joy.

Cairnhill Arts Centre!

①

BUILD-A-PUPPET WORKSHOP

Core Objectives:

- Identity Building
- Team Cohesion
- Effective Communication
- Collective Problem-Solving

How would you design a mascot that best represents your company?

In this workshop, participants will design and **build a rod puppet that embodies your company's mission, values, and identity**. Guided by an experienced Puppet Maker, you will learn the basic puppet-making and puppet manipulation techniques and create a short presentation to tell your company's story.

②

FROM PUPPET TO PERFORMANCE

Core Objectives:

- Confidence Building
- Creative Thinking
- Conflict Resolution
- Team Collaboration

Storytelling is at the heart of all effective communication.

In this workshop, participants will be introduced to various forms of puppetry – hand, rod, strings, masks, shadow, and object – through in-depth hands-on experience. Guided by an experienced Puppeteer and Facilitator, you will work together as a team to **devise and stage a short performance using your preferred form of puppetry.**

③

PUPPETRY FAMILY DAY

Core Objectives:

- Early Education on Puppetry
- Creating A Safe Space for Artistic Exploration
- Building Relationship Beyond Work Environment

A healthy work-life balance starts with spending time with loved ones.

Specially curated for families with young children, this programme includes an **interactive theme-based storytelling and an 1-hour introduction to puppetry workshop**. This hands-on experience is perfect for parents and children to spend time together while learning about puppetry.

④

BREATHING OBJECTS – A MINDFULNESS WORKSHOP

Core Objectives:

- Creating Space for Reset and Recharge
- Encouraging Awareness, Focus, and Presence
- Foster Deep Connections
- Inspire Creativity and Fresh Perspectives

In our ever-changing environments, taking a moment to pause can feel like a luxury.

This workshop invites participants to reconnect with oneself through breathing and playing. Through **guided breathing exercises and imaginative object-based activities**, participants will awaken their creativity and unlock a deeper connection with themselves, their co-workers, and their work.

CUSTOMISABLE PUPPETRY PROGRAMMES

The Finger Players also offers puppetry programmes that can be tailored to you or your company's needs. If you have specific themes or objectives for your event, please write in to us!

The background is a collage of three photographs showing children in various play scenarios. The top photo shows two children sitting at a table, focused on a task. The middle photo shows a child in a green dress holding a doll. The bottom photo shows a child in a striped shirt playing with toys on the floor. The text is overlaid on this collage.
